

This service is available for parents whose kids are aged 4-10 years. Younger children will be allowed for the Drop N Shop (DNS) service at the discretion of our staff, depending on availability.

Fun Factory DNS enables you to have some much needed retail therapy, do essential grocery shopping in peace or for you to simply enjoy a bit of quiet time, while your kids can have a blast at Fun Factory under the supervision of our trained staff.

DNS is economical too, at just Rs.550/- per child, per hour of stay. Please note that Fun Factory staff will provide a free bottle of water for each child on admission for DNS. See [Rules and Regulations](#) section for full details.

- Drop N Shop customers are welcome up until 2 hours prior to closing time
- Clean socks must be worn at ALL times by children using the play area
- Fun Factory Rules of Play must be adhered to at all times
- Drop N Shop facility may only be utilized for up to a maximum of 4 hours per child
